

London Senior Hockey, Western Fair Sports Centre, 865 Florence St. London ON N5S 3V9

With the announcement of the Provincial Lockdown commencing April 3, we can officially say goodbye to what you could call a “Season impossible to forget”.

The WFD complex will be closed until at least May 3. If you are participating in any of the summer rentals, your rental contact person will be notified with further information as this date approaches.

I would like to thank the WFD staff, and all our conveners & captains for all their hard work and especially their patience with me in my rookie year in this position. With all the changes, and stops and starts, their abilities in keeping the information flowing to all the players played a big part in helping this year move as smooth as it did.

I would also like to congratulate all participants for their dedication to following all the necessary protocols to run our program and that you were able to enjoy a bit of normalcy in these times. From the bubbles and sign-ins to the bums-rush after your games, the hockey was not the same, but your actions allowed us to play the whole season without a single player contracting the virus through our league.

Everyone deserves a pat on the back and a couple of “Atta-boys”.

Your executive will be meeting as soon as restrictions ease up and we are able to do so safely. As well as planning for the 2021-22 season, we will be planning on how we can actually have a proper AGM this year.

It is very important that as a member, you have an input in how your league is run and you are able to put forward any changes you would like to see. Again, hopefully restrictions will ease up and we can assemble safely sooner than later.

Enjoy your summer and stay safe. Keep your ear to the ground and your eyes to our website for any further information

Thanks again,

Brian Laporte

President LSH
