PRE-SEASON GENERAL MEETING REMINDER

WEDNESDAY SEPTEMBER 14, 10:00 AM

BMO CENTRE, 295 RECTORY ST.

Just a reminder for all to attend the pre-season meeting for this coming season. This is where you will receive any information you will require to participate and enjoy your hockey season. Any questions you have regarding teams, fees, league finances and format, etc., will be answered at this meeting. Also, the minutes from the April AGM can be found under "News" on our home page if you want to refresh your memory.

This season, new members **only** will need to sign and submit an "Informed Consent Form" and show proof of full vaccination for the COVID-19 virus. Returning members from last year have previously signed their consent forms and provided proof of vaccination.

I've been notified by WFD that the lockers will be re-opened for rental again this season. The past locker holders will be notified and given first choice. We may have more news to report on this item at the meeting.

As COVID-19 cases continue to circulate, please follow the Middlesex London Health Unit guidance. It's important to consider your risk for COVID-19 and to take steps to protect yourself and others. Wear a mask if it feels right for you and your teammates. Although you are considered fully vaccinated after 2 injections, LSH recommends that you stay up to date for all recommended doses of the vaccine, including booster doses. Lastly, please stay at home if you feel unwell or develop any symptoms of COVID-19. We all need to remain cautious and follow the good health practices that we have become accustomed to these last couple years.

I know everyone has been anxious to see the latest team lists and up to date schedules, so these are now posted on our web page.

Thank you, and we'll see you at the meeting.

Brian Laporte

President LSH
