

London Senior Hockey, Western Fair Sports Centre, 865 Florence St. London ON N5S 3V9

News 18-Aug-2022

Hey guys and gals, it's time to sharpen your skates & elbows and tape up your sticks. Let's get ready for another London Senior Hockey season!!

In this 2022 / 23 season, we are returning to our pre-pandemic format and protocols. This means hour and a half games, five on five hockey, and expanded rosters. We are back to three divisions, with the Junior and Intermediate divisions icing eight teams of 15 skaters each, and the Senior division running two four team groups of 15 skaters each. Again these will be set up as Senior and Masters Groups.

Convenors and captains are currently assembling teams and contacting players. If you have not been contacted yet, please reach out to your captains from last year to inquire about your status.

Please be sure to make a note on your calendar to attend the **Pre-season General Meeting being held at the BMO Center, 295 Rectory St. on Wednesday, September 14, 2022 starting at 10:00 am.**

You can get information regarding your team's set-up, league finances, fees & payments, rule changes, etc. Your executive members as well as Captains and Convenors will be there to welcome you and help answer any questions you may have. As there are some players who will have a credit from last year applied to their fee, this is the place to get this confirmation.

Also, you may notice some changes to our web site. We have a new webmaster and will be continuing to tweak the site as we go. Your suggestions are always appreciated. Be sure to look here for the latest notifications and in the up-coming events box. As usual, teams and schedules will be posted shortly.

Thanks to all and see you at the BMO Center.

Brian Laporte
