News 13-Sept.-2023

## PRE-SEASON GENERAL MEETING REMINDER

**10:00 am Tuesday September 19**

**BMO Center, 295 Rectory St.**

Just a reminder for everyone to attend the Pre-season General Meeting. You will be able to meet up with old friends and meet your new team-mates, as well as receive important information for this upcoming 2023-24 LSH season. Team rosters and schedules are now available on our website.

There will be financial reports, scheduling reports, and information from WFD regarding the Restaurant / Bar opening for us. We will also have a report on our meeting with Source to help facilitate and streamline the ordering and delivery of new LSH jerseys.

Mosaic Medical also has information regarding the availability of flu shots to be administered at the rink and another AED refresher class on October 17 at their Kellogg office.

We have revamped the **INFORMED CONSENT AGREEMENT** and all members will need to read, complete the information, and sign it this year, and it must be submitted by your 1<sup>st</sup> game. The information you provide will be used to create a new data base so as to limit the hassle for this every year.

As you all know, LSH follows all mandates from the Ontario Ministry of Health and the MLHU. We encourage you to keep up all your vaccinations and safe practices. We still don't have those "Zombies" completely licked, so it's very important to be diligent and aware of the precautions we all should take. Screen yourself, and if you're sick or have any flu symptoms, please stay home and follow the LMHU self-isolation directions. This and more important info can be found on the London Middlesex Health Unit website, [www.healthunit.com](http://www.healthunit.com), which is also linked on our web site.

Only 18 more sleeps before the puck drops to start another great season.

Thanks and we'll see you at the rink.

Brian Laporte

President LSH
